- 100% waterproof
- Removable PU cushioned insole
- Steel Toe meets ASTM F2413-24 M I/75 C/75
- Industrial use

CLEANING INSTRUCTIONS

Cleaning can be done by washing your boots, after each use, with a soft brush and mild detergent. Rinse away the remains of the detergent with water and allow the boot to dry at room temperature and in the shade. Store in a well-ventilated and dry place. Regular cleaning and replacement of the insole, when used, is also important to prevent the proliferation of bacteria. Careful and regular cleaning increases the durability of your wellingtons. When replacing the insole you must ensure that you are using an insole just like the original.

SAFETY AND COMFORT IN EVERY STEP
