

TICEWORKWEAR®
BY DIKAMAR

THERMO LIGHT VEST

Our Thermo Light Vest provides thermal comfort for those who work in cold environments. The side mesh allows a perfect fit to the body, providing thermal comfort throughout the day. The Thermo Light Vest is longer on the back to protect the kidney area. It keeps your arms free for greater mobility to get the job done.

Features

- Frontal zipper
- Two outside pockets
- Mesh collar
- Side mesh for adjustment
- Longer on the back to protect the kidneys
- Cold protection at temperatures above -5°C
- EN ISO 14058:2017 Cat. PPE II
